This equipment complies with radiation exposure limits and has very low levels of RF energy that are deemed compliant without Specific Absorption Rate (SAR) testing.

## Safety Precautions

- Wear the watch approximately one finger's width above your wrist bone and ensure a snug, comfortable fit. If the watch is worn too loosely or during vigorous activity, heart-rate measurements may be affected.

- Tested and certified to be resistant to splash, water, and dust in specific laboratory conditions with the IP68 (1.5 meters in depth) ingress protection based on IEC 60529:1989+A1:1999+A2:2013. Do not wear the watch while swimming or use it in hot showers, saunas, or while diving. Dust and water resistance are not permanent and may degrade over time.
- The touchscreen does not support underwater operation. After the watch contacts water, wipe off excess moisture with a soft cloth before use.
- During daily use, avoid wearing the watch too tightly. Keep the contact area dry; clean the strap regularly with water and dry it thoroughly. If redness or swelling occurs, stop using the watch and consult a doctor.
- Keep the power adapter, charging cable, and device dry while charging. Do not touch them with wet hands or expose them to rain or other liquids.
- If the watch will not be used for an extended period, fully charge it, power it off, and store it in a cool, dry place. Recharge at least once every 3 months.
- The watch operates between  $-10^{\circ}\text{C}$  and  $45^{\circ}\text{C}$ ; use outside this range may cause malfunction.
- If the screen is broken, do not touch or attempt to remove it. Stop using the watch and contact an authorized service provider.
- Use the included charging cable. Use only power adapters that meet local safety standards or are certified and supplied by qualified manufacturers.
- Do not disassemble, strike, crush, or incinerate the watch. Stop using the product immediately if the battery swells or leaks.
- The watch contains a built-in battery. Do not attempt to remove or replace it yourself; battery replacement must be performed by an authorized service provider. Using an incorrect battery may cause safety hazards, including personal injury.
- Do not dispose of the battery with household waste or in landfills. Dispose of this product and used batteries in accordance with local laws and regulations.
- Do not dispose of the battery in fire or a hot oven, or subject it to mechanical crushing or cutting; this may cause an explosion.
- Leaving the battery in an extremely high-temperature environment may cause an explosion or leakage of flammable liquid or gas.
- Subjecting the battery to extremely low air pressure may cause an explosion or leakage of flammable liquid or gas.
- This product is not a toy and contains small parts. Keep it out of reach of children to prevent choking or other injury from accidental ingestion.
- Keep the product's indicator light away from the eyes of children and animals while the product is in use.
- This watch is not a medical device; any data or information it provides should not be used as a basis for diagnosis, treatment, or prevention of disease.
- To prevent possible hearing damage, avoid listening at high volume for long periods.
- Product information is listed on the back of the watch case.

## WARRANTY NOTICE

As a Xiaomi consumer, you benefit under certain conditions from additional warranties. Xiaomi offers specific consumer warranty benefits which are in addition to, and not instead of, any legal warranties provided by your national consumer law. The duration and conditions related to the legal warranties are provided by respective local laws. For more information about the consumer warranty benefits, please refer to Xiaomi's official website <https://www.mi.com/global/support/warranty>. Except as prohibited by laws or otherwise promised by Xiaomi, the after-sales services shall be limited to the country or region of the original purchase. Under the consumer warranty, to the fullest extent permitted by law, Xiaomi will, at its discretion, repair, replace or refund your product. Normal wear and tear, force majeure, abuse or damage caused by the user's negligence or fault are not warranted. The contact person for the after-sale service may be any person in Xiaomi's authorized service network, Xiaomi's authorized distributors or the final vendor who sold the products to you. If in doubt please contact the relevant person as Xiaomi may identify. The present warranties do not apply in Hong Kong and Taiwan.

Products which were not duly imported and/or were not duly manufactured by Xiaomi and/or were not duly acquired from Xiaomi or a Xiaomi's official seller are not covered by the present warranties. As per applicable law you may benefit from warranties from the non-official retailer who sold the product. Therefore, Xiaomi invites you to contact the retailer from whom you purchased the product.
