Highlights

Patented AquaSpin brushes

Engineered with AquaSpin Technology, it has the fastest brushes in the world*, that always stay clean - during & after use.* *In cordless wet & dry stick vacuum cleaner category, based on Rotations Per Minute of the brush, tested against high-end models, 2025

Tackle every type of mess!

Clean every surface and every type of mess! Remove dust and dirt from carpets to hard floors, with our powerful dry-stick module. For a spotlessly mopped floor in one sweep, activate our powerful wet & vac module!

Up to 55 min runtime**

One charge, one clean: vacuum and mop every area you need without interruption. Cover Up to 285 m2! **

High-Speed Auto-Clean

AquaTrio automatically cleans itself after every use, removing moisture, dirt, and bacteria. No manual cleaning required. Always clean and ready to go.

Clean with fresh water, always

PowerCyclone Aqua efficiently separates and locks dirt and dirty water, enabling a constant flow of fresh water running through the brushes and on the floor.

3-in-1 cleaning

One device, endless possibilities. Switch to Vacuum Mode for quick dry cleaning—perfect for carpets, rugs, and hard floor touch-ups. Need detail? Handheld Mode tackles upholstery and furniture. And for spotless floors, our mopping module delivers a flawless clean in one sweep.

Dual brush power

Two brushes working together for a deeper clean. They clean in both the forward and backward stroke, to pick up more wet and dry dirt*** with every pass. Make every move count!

Deep 180 ° reach

Thanks to 180 degrees device flexibility, it even cleans hard-to-reach areas and enables exceptional maneuverability.

Nozzle LEDs reveal hidden dirt

LED lights on both the wet and the dry nozzle reveal hidden dust, dirt, stains, spills, hair and crumbs. Great to highlight in darker spots, like under low furniture.

Patented AquaSpin brushes: 4,000 RPM of cleaning force., Tackle every type of mess!, Up to 55 min runtime*, High-Speed Auto-Clean: let us do the work!, Clean with fresh water, every time: PowerCyclone Aqua

Specifications

Technical Specifications

Power: 150W±10%

General Specification

Primary Material: Plastic
Color: Deep Black
Noise level (standard): Wet 80dB(A), Dry 83dB(A)
Voltage: 25.2V
Frequency: DC
Warranty: 2 years
Battery Product: Yes (Lithium-ion battery)

Weight and Dimensions

Product Length: 110cm
Product Width: 25.1cm
Product Height: 26.6cm
Package Length: 445cm
Package Width: 240cm
Package Height: 775cm
Package Weight: 12.23kg
Product Weight: 1.695kg

Country of Origin

Produced In: China

Publication Date
2026-01-30
Version: 99.99.0
