Highlights

Cleans variety of soft surface

Sofa, mattress, carpet, or car seat. The 3-in-1 nozzle removes stains from a wide variety of soft surfaces.

Removes spots, stains, spills

Worry less about children playing on the sofa! The powerful motor effectively removes a wide range of stains.

Provides freshness boost

The professional detergent formula, Philips Stain Remover, and high suction power remove stubborn stains and provide a freshness boost.

Wide brush

Wider cleaning path for 67%¹ faster cleaning on large areas, such as carpets.

Smart Control Display

The intuitive LED display easily guides you through the spot cleaning process and notifies when a water tank change is needed or Delayed Shut Off function is in progress.

Auto Clean

No need to manually clean out the hose. Just put a cap on the nozzle and press the button to flush the dirt from the hose.

Compact to store

Just 32.5 cm in height, it's easy to store even in small cupboard spaces.

Longer use without moving

With 6.5metres from plug to nozzle, clean for longer without changing position.

Cleans with clean water only

PowerCyclone Aqua ensures that you clean with clean, detergent-added water from one tank, while dirty water is diverted and delivered to another water tank.

Cleans a variety of soft surfaces, Removes spots, stains and spills, Provides freshness boost, Easy to store even in small cupboard spaces, Wide brush for faster cleaning of larger areas
